# ~Massage at the Workplace~

As a business owner, I know how hard it is to have a good rewards-incentive program for employees. And how hard it is to come up with a memorable gift for those special clients/customers.

Consider giving massage gift certificates as a way of rewarding your employees for **outstanding performance, perfect attendance, service anniversaries, etc.** and rewarding those **special clients for their support.** At Connecting Touch, we have affordable ways to reward your employees and provide them the incentive to go that "extra mile" and to keep those clients/customers returning.

If you are having a staff meeting or a staff recognition day, we can be on-site with our specially designed massage chair, and one or more of our trained massage therapists can provide **10-15 minute chair massages** right in your office.

Whether it is a gift certificate or on-site chair massage, your staff will appreciate your thoughtfulness and generosity.

And remember to give the gift of a massage gift certificate to your special customers or clients. They will remember the fact that you appreciated their business and that they weren't "just another sale".

**Hint: You may want to share this with your employer!**

Connecting Touch is a drop-off location for this year's shoe drive through Buckner International Ministries and WCRF. Shoes for Orphan Souls, a ministry of Buckner International, has distributed more than 1.5 million pairs of new shoes and socks to needy children around the world since 1999. While their program has made a difference in many lives, there are still millions of children we can reach — all through a pair of shoes. Let a child know that he or she has not been forgotten.

Donate today at either of our locations. The shoe drive runs until August 4, and we will be accepting new shoes, new socks and new shoelaces.

On behalf of Buckner International, WCRF and the orphans, I want to thank you for whatever you can do.

*Jack*
